

PROFILE

I've been working in media post-production for 10+ years in various roles including: *Assistant Video Editor, Lead Video Editor, Production Assistant, Camera Assistant, Sound Recordist, Sound Designer, and Audio Editor*. In these roles, I've worked freelance with creative agencies, videographers, and TV stations, as well as volunteering at a radio station.

EXPERIENCE

AUDIO, VIDEO EDITOR, FREELANCE 2014-PRESENT

In my freelance audio/video production work, I have succeeded in these roles:

1. Audio Production - mic placement on talent, boom mic, sound recordist, sound mixer, sound design, audio editing, podcast editing, dialogue editing
2. Video Production - ingesting video, video processing, media management, string-outs/selects, video editing, titles, basic motion graphics, basic color correction, live video switching
3. Production Assistant - gear management, on-location set builds and strikes, assisting with lighting set-up, runner/driver

Clients include: *Singapore Airlines, Seabourne, Microsoft, Xbox, and Github*

WAREHOUSE MANAGER, CONTRACTOR, 2025-PRESENT

I manage the TX warehouse for a company where we process and package products. I manage day-to-day shipping and receiving, invoicing, and oversee 3-8 production workers.

WEB DESIGNER, GRAPHIC DESIGNER, CONTRACTOR, 2024-PRESENT

I rebranded the entire product line of Happy Shaman & created 200+ new designs for new products as well as designing marketing emails, websites, catalogs, and trade show booth graphics. I also created sales-specific websites and designed, developed and maintain the website for our TX business.

WEB & MEDIA PRODUCER, KUBE-TV 2013-2015

This Media & Web Producer role involved video production and redesigning the independent TV station's website with a focus on video-related content and community engagement.

1. Media Producer - video editing for episodic commercials for numerous syndicated shows, building and striking sets in a studio environment as well as on-location, lighting set-up, mic placement on talent, running second camera, ingesting video, processing video, assistant video editing for string-outs/selects
2. Web Producer - front-end web development, web design, WordPress CMS, community engagement via online contests and giveaways
